## Monday: Who's that FLYING around?

Discover animals that have wings and use flight to get around Lake County.

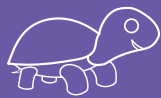

## Tuesday: HOPPERS and JUMPERS in the grass

Many animals hop and jump. We'll try to catch a few of them to get a closer look. This day features insect netting in tall grasses and prairies. **Wear long pants and closed-toe shoes. No Crocs, please.**

## Wednesday: What's that SWIMMING?

We will use a dip net to capture and observe a few animals that swim, and learn how they move in water. **Wear clothes and closed-toe shoes with heel straps that can get wet and muddy. No Crocs, please.**

## Thursday: CRAWLERS and WALKERS in the forest

Explore the forest for animals that move a lot like you. **Wear a lightweight, long-sleeved shirt and pants, and bring insect repellent.**

## Friday: SLITHERING along

Get low and look carefully to find animals that move without legs.
