A beautiful way to honor a loved one, mark an anniversary or simply to make a statement is to donate a tree to the Lake County Forest Preserves. For years to come, it will offer shade, shelter and more. A 1½” to 2” diameter tree for fall planting is available for a \$500 donation. For spring planting, a 2½” to 3” diameter tree is available for a donation of \$800. An 8” round bronze marker mounted flush with the ground and engraved with your message may be added for an additional \$150. For more information or to make arrangements, please call Barb Vicory at 847-968-3434 or [bvicory@LCFPD.org](mailto:bvicory@LCFPD.org).
