

# TRAIL COURTESY

As you share the many multi-purpose trails in your Lake County Forest Preserves with others, **please follow these rules of common sense and be courteous to all trail users.**

- Stay on the trails. Respect trail and road closures.
- Leave nature as you find it for others to enjoy.
- Deposit litter in proper receptacles.
- Keep dogs leashed and on trails at all times, and pick up after them.
- Ride and walk on the right.
- Allow space on the left for others to pass.
- Alert others when passing from behind, especially around corners or in blind spots. Be prepared to stop or step aside to let bicycles and horses safely pass.
- Use caution around horses. Use your voice, rather than bicycle bells, to announce your presence, and ask the rider if it's okay to pass.
- Control your speed at all times while biking and snowmobiling. Be prepared to slow down or stop, and to announce your presence, when approaching other trail users.

# RULES OF THE ROAD

For trail maps, visit [LCFPD.org/maps](http://LCFPD.org/maps), or call 847-367-6640.

**Forest Preserve Rangers regularly patrol the preserves and can offer assistance.**

For emergencies, call 911.

For nonemergency public safety issues, call 847-549-5200 and ask to speak to a Ranger.
