Field Trips in LCFPD

What's the Word

From Students:

- “Going to camp definitely pushed me towards choosing a career in science! I'm now a biology major!!”
- “It strengthened my scientific method, which made it so much easier for me to do in high school and college.”

From Parents:

- “She came home every day excited and shared her stories with us.”
- “He has more interest in science and nature. He bonded with new people and made new friends.”

How to Apply

- Submit application packet by Friday, April 28
 - ❖ Program Application
 - ❖ Student Agreement
 - ❖ Current report card
 - ❖ Recommendation letter
 - ❖ Send to: Melissa Alderson, Science Explorers in Nature, Lake County Forest Preserves, 21950 N Riverwoods Road, Riverwoods, IL 60015
- Selected based on application, interest, and reference
- Ask your teacher for application or visit:

www.lcfpd.org/science-explorers/

To review...

- Science Explorers in Nature is FREE
- June 19 – July 14 (No session July 4)
- Monday – Friday, 9 AM - 3 PM
- Deadline to apply is Friday, April 28
