

WHAT: Science Explorers in Nature is a summer science program where you will meet new friends, learn about local ecosystems, explore Lake County Forest Preserves, and get a head start on your science classes next year. This program is FREE: bus transportation, lunch, and snacks are all provided.

WHO: Current 6-8 grade students who attend school in Lake County

WHEN: Monday, June 19–Friday, July 14
(no program on Tuesday, July 4)

WHERE: Greenbelt Cultural Center
A bus will drop off & pick up from your school

HOW TO APPLY: Ask your teacher for an application or visit www.LCFPD.org/science-explorers/

You must submit by **Friday, April 28, 2017:**

- ☐ Application Form
- ☐ Student Agreement
- ☐ Report Card
- ☐ Letter of Recommendation
