## Non-Vascular Species List

### Non-Vascular Species List

| Group             | Species                          | CommonName            |
|-------------------|----------------------------------|-----------------------|
| <b>Bryophytes</b> |                                  |                       |
|                   | BRYUM ARGENTIUM                  | Silvery Bryum         |
|                   | BRYUM SP.                        |                       |
|                   | CALLICLADIUM HALDANIANUM         |                       |
|                   | CLIMACIUM AMERICANUM AMERICANUM  | Southern Tree Moss    |
|                   | ENTODON SEDUCTRIX                | Round-stemmed Entodon |
|                   | FISSIDENS TAXIFOLIUS             | Common Plume Moss     |
|                   | LESKEA SP.                       |                       |
|                   | MARCHANTIA                       |                       |
|                   | MNIUM CUSPIDATUM                 | Pointed Mnium         |
|                   | PLATYGYRIUM REPENS               |                       |
|                   | POHLIA SP.                       |                       |
|                   | RICCIA CANALICULATA              |                       |
|                   | THUIDIUM DELICATULUM DELICATULUM | Common Fern Moss      |

13

**Fungi**

|                               |                     |
|-------------------------------|---------------------|
| AGROCYBE PEDIADES             | Earth head          |
| BOLBITIUS VITELLINUS          |                     |
| CERRENA UNICOLOR              |                     |
| CHEIMONOPHYLLUM CANDIDISSIMUS | Little white oyster |
| COPRINELLUS DISSEMINATUS      | Fairy bonnet        |
| COPRINELLUS SP.1              | Inky cap            |
| COPRINOPSIS MICACEUS          | Mica cap            |
| CORYDYCEPS ANAMORPHS SP. 1    |                     |
| CREPIDOTUS SP.1               |                     |
| DAEDALEA QUERCINA             |                     |
| GALERINA SP.                  |                     |
| IRPEX LACTEUS                 | Milk-tooth polypore |
| LYOPHYLLUM SP.1               |                     |

| Group | Species                                  | CommonName             |
|-------|--|------------------------|
|       | OMPHALINA SP.1                           |                        |
|       | PANUS CONCHATUS                          | Smooth Panus           |
|       | PEZIZA SP.                               |                        |
|       | PHELLINUS GILVUS                         | Pyrite bracket         |
|       | PLUTEUS CERVINUS                         | Deer mushroom          |
|       | PLUTEUS SP.1 WHITE                       |                        |
|       | PLUTEUS SP.2 TERRESTRIAL                 |                        |
|       | PLUTEUS SP.3 SMALL SILVERY GREY WRINKLED |                        |
|       | POLYPORUS ALVEOLARIS                     | Diamond-pored polypore |
|       | POLYPORUS ARCULARIS                      | Fringed polypore       |
|       | POLYPORUS SQUAMOSUS                      | Dryad's saddle         |
|       | POLYPORUS VARIUS                         |                        |
|       | PSATHYRELLA CANDOLLEANA GROUP            | Suburban Psathyrella   |
|       | PSATHYRELLA SP.1                         |                        |
|       | RUSSULA PECTINATOIDES                    |                        |
|       | SARCOSCPHA COCCINEA                      |                        |
|       | SCHIZOPHYLLUM COMMUNE                    | Common split-gill      |
|       | SCUTELLINIA SCUTELLATA                   | Red eyelash cup        |
|       | SCUTELLINIA SP.1                         | Orange eyelash cup     |
|       | STEMONITIS AXIFERA                       |                        |
|       | STEREUM COMPLICATUM                      |                        |
|       | STEREUM HIRSUTUM                         |                        |
|       | TRAMETES HIRSUTA                         |                        |
|       | TRICHAPTUM BIFORME                       | Violet-pored polypore  |
|       | XYLARIA HYPOXYLON                        | Carbon antlers         |

## Lichens

AMANDINEA PUNCTATA  
ARTHONIA CAESIA  
CALOPLACA MICROPHYLLINA  
CANDELARIA CONCOLOR  
CANDELARIELLA REFLEXA  
CANDELARIELLA XANTHOSTIGMA  
FLAVOPARMELIA CAPERATA  
FLAVOPUNCTELIA FLAVENTIOR  
LECANORA SP. 1  
LECANORA SYMMICTA

| Group | Species | CommonName |
|-------|---------|------------|
|-------|---------|------------|

LEPRARIA LOBIFICANS  
MELANELIA SUBAURIFERA  
PARMELIA SULCATA  
PARMOTREMA RETICULATUM  
PHAEOPHYSCIA HIRSUTA  
PHAEOPHYSCIA PUSILLOIDES  
PHAEOPHYSCIA RUBROPULCHRA  
PHYSCIA MILLEGRANA  
PHYSCIA STELLARIS  
PHYSCIELLA CHLOANTHA  
PHYSCONIA LECOLEPITES  
PUNCTELIA BOLLIANA  
PUNCTELIA RUDECTA  
RINODINA SP.  
XANTHOMENDOZA FALLAX  
XANTHOMENDOZA FULVA  
XANTHOMENDOZA ULOPHYLLOIDES  
XANTHORIA POLYCARPA
