

Animal Attire Itinerary

Dates: July 7-9, 2026

Time: 8:30 am-11:30 am

Location: Independence Grove North Bay Pavillion

What to wear: Sturdy closed toe shoes, clothing that is appropriate for the weather, movement, and exploration. Wear or bring long, lightweight pants for field explorations; optional- hat and sunglasses.

What to bring: snack, water bottle, sunscreen, and insect repellent (please apply sunscreen and repellent before joining us for the day).

Tuesday, July 7: *Meet at Independence Grove North Bay Pavillion*

Feathers & Fur

Today includes an overview of all the animal groups and their coverings we'll be learning about this week and then focuses on our furry and feathered friends. Campers learn about the unique adaptations of birds & mammals through outdoor explorations and hands-on activities.

Wednesday, July 8: *Meet at Independence Grove North Bay Pavillion*

Scutes, Scales & Slime

Reptiles & Amphibians are today's emphasis. Campers learn the differences between these animal groups and get an up close and personal look at some of their coverings as they'll meet a few of our live education animals.

Thursday, July 9: *Meet at Independence Grove North Bay Pavillion*

Exoskeletons

Exoskeletons cover the arthropod group which includes insects, spiders and crustaceans. Campers search for these critters on a hike and discover those that live in an aquatic environment while pond netting.

Program Instructor: Jen Berlinghof, jberlinghof@lcfpd.org, 847-276-5381

Please email AskAnEducator@LCFPD.org for general questions.

**Be sure to complete and return all forms at least one week prior to the start of the program.*

**Please note that some activities may be substituted or modified due to time constraints, site resources, participant interests, or inclement weather. In the event of prolonged inclement weather (excessive heat or thunderstorms and lightning) the day's session will be canceled.*
