Location: Independence Grove, look for signs near North Bay Pavilion

What to wear: Sturdy closed toe shoes; clothing that is appropriate for the weather, movement, and exploration; optional- hat and sunglasses

What to bring: Water bottle, snack; sunscreen; bug spray

Itinerary

Tuesday, August 1st

Insects, Bugs and Butterflies

Learn about insects that you can find in your backyard on a plant or flying around! Be ready to explore! Today we will go look for insects that live in the water or river. We will use our senses to explore similar to insects and butterflies.

Wednesday, August 2nd

Flying Beautiful Birds

What do birds eat? Where do they live? Today we will talk all about birds! We will “fly” down a trail and explore in the woods. Be ready to play in the woodland forest, and build a nest!

Thursday, August 3rd

Furry Mammals

What do you and a bunny have in common? Today we will focus on mammals. We will go hiking to see mammals in action. Today we will make a craft to take home.

Program Instructor: Marcela Martinez, mxmartinez@lcfpd.org, 847-276-0745
