            Finance and Administrative Committee

FROM:       Michael G. Tully
            Director of Operations and Public Safety

SUBJECT:    Lake County Forest Preserve District General Use Ordinance

RECOMMENDATION:  Approve Revised General Use Ordinance

BACKGROUND: The Lake County Forest Preserve District General Use Ordinance governs the use of the forest preserves and property of the District. The District is authorized to do so by Section 7 of the Downstate Forest Preserve District Act 70 ILCS 805/7 and other applicable authority.

The Operations and Public Safety Department recommends that the District update and modify the existing version, which was approved in January 2000. The Ordinance is instrumental in providing for protection of natural resources and physical facilities in District forest preserves and other property, and for the safety and general welfare of the public.

The significant changes in the updated version include:
- Incorporation of the State of Illinois Wildlife, Fish and Aquatic Life, Vehicle, and portions of the Criminal Codes.
- Addition of rules and designated sites for Expressive Uses on District Property.
- An increase of $10.00 on all ordinance violation fines.

Minor changes in the document include:
- Clarifications in the definitions section.
- Change of date for picnic permit issuance, and language allowing for earlier issuance under certain circumstances.
- Exemption for equestrians from the requirement that they remove horse dung from the trails.

Attached to this recommendation is the complete revised document with pertinent changes highlighted.

REASON FOR RECOMMENDATION: Committee and Board approval is required to authorize execution of a revised Ordinance Book Rules and Regulations.

REVIEW BY OTHERS: Executive Director, Deputy Executive Director, Corporate Counsel and Chief of Ranger Police.

FINANCIAL DATA: No financial impact.
