GIFT RECOGNITION

Donors who make a gift of **\$3,500 or more** to the Community Campaign for the Lake County Forest Preserves may elect to have their generosity recognized within the Forest Preserves.

If you have a specific preserve or natural area you are interested in dedicating, a representative of the Preservation Foundation can provide you with the minimum gift associated with that location and an example of what recognition could look like.

All available opportunities may be viewed at LCFPD.org/CommemorativeGifts.

I/We would like to be contacted about recognition opportunities.

Trailside Benches

Our benches invite visitors to stop along their journey through a Forest Preserve and enjoy an immersive experience in nature.

When you **dedicate a Trailside Bench for \$3,500**, your permanent dedication will be commemorated with a personalized 4.5" x 1.5" plaque.

Native Garden Benches

In some areas, such as the Native Garden at Independence Grove Forest Preserve in Libertyville, bench dedications begin at \$10,000 due to the unique location or limited availability.

5" x 7" Commemorative Plaque

Gifts of **\$25,000 or more** are recognized with a 5" x 7" bronze plaque set into an existing feature or field post.

Donors may name an existing feature in the Forest Preserves, such as a trail loop or fishing pier, or work with staff to place their recognition along their favorite stretch of trail.

8" x 10" Commemorative Plaque

Gifts of **\$50,000 or more** are recognized with an 8" x 10" bronze plaque set into an existing feature or boulder.

Donors may name an existing feature in the Forest Preserves, such as an overlook, or work with staff to place their recognition in a mutually agreed upon spot along the trail.

For questions about recognition, please contact us at donate@lcfpd.org or 847-968-3110.
