

## Fishing 2

**Dates:** August 8-August 12, 2022

**Times:** 9:00am -12:00pm

**Location:** Independence Grove Forest Preserve, *meet at North Bay Pavilion*

**What to wear:** Sturdy closed toe shoes that can get wet or muddy. Clothing that is appropriate for the weather, movement, and exploration; optional- hat and sunglasses

**What to bring:** Water bottle, snack, sunscreen, bug spray. Please leave your own poles and tackle at home.

### Itinerary

#### Monday, August 8

The week begins with introductions, local fish ecology, must have gear and tackle, fish location and lure presentation, overview of spin cast and spinning reels, rig a worm set up and a slip bobber rig for bass and crappies.

#### Tuesday, August 9

Today we focus on deep water bass and crappies and learn will how to place line on a spool, make a barbless hook, tie Clinch and Snell knots, make a Ned Rig, discuss lead head and floating jigs and practice casting a spinning rod.

#### Wednesday, August 10

Our day begins with a demonstration of largemouth bass lures, how to craft a Child Rig, Texas Rig and Carolina Rig, techniques for hook removal, introduction to trailer hooks and how to tie a Palomar Knot.

#### Thursday, August 11

Boat Fishing Day! *Meet at the Marina.*

#### Friday, August 12

The week will conclude focusing on bottom-feeding fish like carp and catfish. Techniques for catching them, holding these species properly and designing a bottom rig for catfish using a "y" stick will be covered. We will end the week discussing ice fishing and fly fishing and their desired equipment, followed by a wrap up of the week's events.
