General Offices | 1899 W Winchester Rd, Libertyville 60048 847-367-6640

Lake County
 Forest Preserves

22nd Annual
HIKE
LAKE COUNTY

Like to Hike?

Choose seven trails. Record your travels.

Receive a commemorative zipper pull or shield for your walking stick.

Enjoy fall breezes and autumn colors while exploring designated "Hike Lake County" trails. At each designated preserve, look for the Hike Lake County logo at the trailhead to get you started on the right route. Complete just seven of the hikes between August 15 and November 30, and you'll earn a commemorative zipper pull or shield for your walking stick.

Let your dog join in the fun! You can purchase an optional Hike Lake County collar for your dog, then take your dog along with you on the trails. Record your dog's name on the Travel Log, and your canine friend will receive a commemorative collar tag (up to 3 dogs).

To participate: Use the Travel Log to record each hike. Submit your completed Travel Log by January 31, 2021, by either:

- Mailing your form to:
Lake County Forest Preserves, 1899 W. Winchester Rd., Libertyville, IL 60048.
- Submitting your form online under "Travel Log" at [LCFPD.org/HLC](https://www.lcfd.org/HLC).

Hike Safely

Additional signs placed at trailheads remind preserve visitors to do their part and abide by rules put in place for safety reasons to prevent the spread of COVID-19. By following these rules, visitors can help keep the preserves open. However, if any specific location is no longer maintainable due to visitors not being compliant with Forest Preserve and CDC rules and guidelines, those preserves will be closed.

- Bring your own alcohol-based hand sanitizer (containing at least 60 percent alcohol) and face coverings.
- When arriving, if you see the parking lot is full, use our interactive trail map at [LCFPD.org/Maps](https://www.lcfd.org/Maps) to find another nearby preserve.
- When in the parking lot, wait until the area near your car is clear of other nearby people before exiting or entering your car.
- Follow social distancing rules at all times by staying 6 feet apart.
- When on the trails, groups of two or more must break into single file and move to the right shoulder when approaching or passing others to allow for maximum physical distance.
- Where dogs are allowed, keep them leashed and on trails at all times, and pick up after them. Do not leave pet waste on trails or in parking lots.
- We encourage you to call 847-549-5200 if you spot anything you consider to be dangerous visitor behavior not in conformation to social distancing guidelines.
- Thank you for being respectful of the health of your fellow preserve visitors.
