

## Let's Explore Plants & Animals

**Date:** August 2-4, 2022

**Time:** 9 am-12 pm

**Location:** Greenbelt Cultural Center Education Wing

**What to wear:** Sturdy closed toed shoes that can get wet and muddy. A small thin hand towel. A light weight long sleeved shirt and long pants if they mind walking through tall plants that could possibly scratch them

**What to bring:** Snack, water bottle, sunscreen, insect repellent

### Itinerary

These adventures will allow children to engage with their natural surroundings, exploring what elements are in different habitats. Allowing their imaginations and creativity to come to life. Learning to be careful with the living creatures and creating with the non-living.

#### **Tuesday, August 2**

##### *Exploring Different Habitats*

Explore different habitats using all of your senses, along with items found in our "Let's Go Outside" nature kits and more. Today we will take along hike and possibly explore a pond.

#### **Wednesday, August 3**

##### *Prairie Day*

What's in a prairie? All of those wonderful plants, flowers and insects! Let's go explore and bring back insects to observe and see what we can create.

#### **Thursday, August 4**

##### *Woodland Day*

Explore what's in a woodland. What types of bugs live in here? What other animals live here? The woods are a great place for imaginations to come to life.
