

PUBLIC INFORMATION MEETING

Millennium Trail U.S. Route 45 Underpass Phase I Study

Learn about a preliminary engineering study for the construction of a pedestrian tunnel under U.S. Route 45 to safely connect Raven Glen Forest Preserve in Antioch to neighboring Ethel's Woods Forest Preserve via the Millennium Trail.

Representatives from the Lake County Forest Preserves and project consultants will introduce the project, present the preferred improvement plan and project schedule, answer questions, and seek public input and comments.

The meeting location is accessible to persons with disabilities. If you need special assistance or require certain accommodations in order to attend, please contact Jeff Slood, Project Manager, at 847-968-3277 or jslood@LCFPD.org by November 9.
