- Timed tickets available at [www.DunnMuseum.org](http://www.DunnMuseum.org).

For each 2-hour time slot:

- Open 1.5 hours for visitation
- Closed 30 minutes for cleaning and disinfecting

Max capacity: 78 people per time slot:

- 50 tickets available through online purchase per time slot
  - 28 tickets available for walk-in purchase per time slot
  - Visitor capacity is monitored through security cameras and enforced as necessary
- Staff are required to wear appropriate PPE when working with the public or in the Museum.
- Operating procedures incorporate CDC and OSHA guidelines on cleaning and sanitation of public spaces.
  - Disinfecting of high touch surfaces in the entrance, gift shop, café and galleries will take place between visitation time slots
  - Modified transaction procedures reduce cash handling
  - Plexiglass barriers installed at both registers
  - Hand-sanitizing station available at entrance, exit, and throughout exhibits
- Modified exhibits and exhibit elements accommodate social distancing and minimize visitor touch points.
  - One-way visitor flow through galleries
  - Modified seating areas in café, schoolhouse and Woodland Theater for social distancing
- All programs and research requests will be completed remotely.
