

# BENCH PLAQUE INFORMATION

All benches receive a commemorative plaque with an inscription of your choice. Please note that we use a standard character font and are not able to display graphics or images.

The bronze plaque accompanying the bench is 4.5" x 1.5." For best appearance, we suggest three lines of text with a maximum of 30 characters per line, including spaces, ideally on three lines. We can accept a fourth row for engraving if needed.

A grid for you to use for design inspiration is below:

**Please email your text to Jade Walker at [jwalker@LCFPD.org](mailto:jwalker@LCFPD.org).  
A proof will be provided from the engraver before fabrication.**

## General Plaque Information

The Preservation Foundation of the Lake County Forest Preserves reserves the right to deny any language for content and legibility.

Each plaque will be designed to include the language provided above. A proof of the plaque will be sent for review and approval prior to production.

At this time, please expect long delays on design, fabrication, shipping, and in some cases, an impact on employment and labor. Please estimate six to eight months for bench project completion.

Long-term and preventative maintenance is not provided by the Lake County Forest Preserves. Plaques will weather and patina naturally. Replacement plaques can be arranged for an additional fee.
