**ADDENDUM NO. 1**

INVITATION FOR BID NO. 18002

PROJECT: WOODY INVASIVE PLANT CLEARING – WINTER 2017 AT MULTIPLE FOREST PRESERVES

BID OPENING DATE: August 25, 2017

BID OPENING TIME: 10:00 AM

**Please note the following clarifications, revisions, and additions to the bid documents:**

1. Attachment B, Section 2.4 – Fourth Lake Project

Under Paragraph D, Ash (*Fraxinus*) removal specifications are noted in two bullet points, #3 and #6. To help clarify:

Please delete bullet points 3 and 6:

3. 100% removal of live *Acer saccharum*, *Juniperus virginiana*, *Fraxinus*, and *Populus deltoides*.
6. 100% of all Ash (*Fraxinus spp.*), live or dead, within 100 feet of any roadway, trail, property line, or any other infrastructure. All ash removed by Contractor shall be disposed of in the same manner as all other cut material.

Please add the following:

10. 100% removal of live *Acer saccharum*, *Juniperus virginiana*, and *Populus deltoides*.
11. 100% removal of live Ash (*Fraxinus spp.*) throughout the project area and additionally, removal of all dead trees within 100 feet of any roadway, trail, property line, or any other infrastructure. All dead ash removed by Contractor shall be disposed of in the same manner as all other cut material.

2. Attachment B, Section 2.5 – Grant Woods Project

Under Paragraph D, add the following bullet point:

8. 100% removal of the following native invasive species greater than 2 feet in height, unless marked with pink “DO NOT CUT” flagging tape:
  - Sugar Maple (*Acer saccharum*)
  - Silver Maple (*Acer saccharinum*)
  - Boxelder (*Acer negundo*)
  - Cottonwood (*Populus deltoids*)

3. Bidder’s Questions from Pre-Bid Meeting:

Q1: Do all herbicide applications need to be made via a wick application?

LAKE COUNTY FOREST PRESERVES

Preservation, Restoration, Education and Recreation

A1: Yes, please refer to Attachment B, Sections 3.3-3.5 for herbicide application specifications.  
Wick application is specified in these sections.

Q2: Can potential bidders drive vehicles on District trails when inspecting the work sites prior to bidding?

A2: No, bidders are prohibited from using motor vehicles on District trails for pre-bid site inspections. Please refer to maps provided in Attachment C for access locations – all pre-bid inspections must be done on foot.

Q3: If a contractor does not wish to provide a bid for one or more specific sites, how should this be noted on the bid submittal?

A3: Contractors bidding on sites should fill-out the Table of Prices completely for each site. If a bidder desires not to bid on a project site, they should indicate “NO BID” on the Table of Prices for each site they do not wish to provide a bid.

4. ATTACH PRE-BID SIGN-IN SHEET

Please **sign** this form and **return original** with your **bid**.

Sincerely,

Christine F. Miller
