Agenda Item # 11.1

RECOMMENDATION: Recommend approval of a Resolution approving a Three-Year Pricing Schedule for Managed Internet Services from AT&T Corporation, in an amount not to exceed \$47,244.96.

STRATEGIC DIRECTION SUPPORTED: Organizational Sustainability

FINANCIAL DATA: The contract price is \$1,312.36 monthly, totaling \$47,244.96 over the three-year life of the pricing schedule. These services are budgeted in the FY2025 budget, in fund 19224000-701400.

BACKGROUND: The District currently has a Master Agreement with AT&T Corp. for all services and equipment provided by AT&T to the District, including dedicated internet service and voice-over IP services (collectively, “Managed Internet Services”). Staff recommends that the Master Agreement be amended by approving a new three-year pricing schedule (“Pricing Schedule”) for Managed Internet Services. The new Pricing Schedule will result in a \$12,126.24 savings (\$4,042.08 per year) compared to the District’s current rates for the Managed Internet Services. The internet circuit speed will remain the same.

REVIEW BY OTHERS: Chief Operations Officer, Director of Finance, Chief Information Officer, Purchasing Manager, Manager of Board Operations and Corporate Counsel.
