

**DATE:** October 6, 2025

**MEMO TO:** Paul Frank, Chair  
Planning Committee

**FROM:** Ken Jones  
Director of Land Preservation

**RECOMMENDATION:** Recommend approval of a Resolution to purchase an approximately 51.4-acre property known as the Giambrone property in unincorporated Fremont Township, for \$4,321,000.00, as an addition to Ray Lake Forest Preserve.

**STRATEGIC DIRECTIONS SUPPORTED:** Public Access and Connections, Conservation, and Organizational Sustainability.

**FINANCIAL DATA:** The purchase price for the Giambrone property is \$4,321,000.00, to be funded through General Obligation Bonds. Depending on the timing of this and other pending property closings, the expense will be allocated either to the Limited General Obligation Bonds, Series 2024 (Account 31344100-801000), or to the Referendum General Obligation Bonds, Series 2025 (Account 31354100-801000). The Limited Bonds must be spent first to prevent the creation of an arbitrage liability payable to the IRS. Notably, the Navy property acquisition at Fort Sheridan, originally expected to use a significant portion of the Limited Bonds proceeds, has been delayed.

**BACKGROUND:** The Giambrone parcel (the "Property") is located north of Gilmer Road and west of Erhart Road in Fremont Township. Acquisition of the Property will perpetually preserve its open space and enable the District to expand upon the wetland restoration and mitigation already planned for a portion of Ray Lake Forest Preserve, which is adjacent to the east boundary of the Property. At the direction of the Planning Committee, District staff has reviewed the Property to determine its suitability for acquisition for District purposes. In staff's opinion (i) the acquisition, protection and management of the Property will meet the District's adopted land acquisition goals of protecting wildlife habitat, preserving wetlands, and providing scenic vistas; and (ii) the Property will serve as a visual, topographic and ecological extension of other existing District properties.

A contract to purchase the Property has been negotiated by District staff and signed by the owner. Pursuant to the contract, the District would pay \$4,321,000.00 for the Property. At the time the contract was executed, a land survey was not available to determine the exact acreage of the Property. Therefore, when the final acreage is determined by an ALTA land survey, the acreage may be slightly different than the current total estimate of 51.4 acres. The Property contains a residence and related outbuildings and improvements. The buildings on the property will be inspected to determine if they can be used for District purposes. Buildings that have no programmatic purposes will be demolished.

The Property is adjacent to the Honey G. Farms Property, which is owned by an affiliate of the owner of the Property. District staff has also negotiated a contract to purchase the Honey G. Farms Property. The contract to acquire the Property is contingent, at the District's election, upon the District's acquisition of the Honey G. Farms Property.
