MEMO TO: Paul Frank, Chair
Planning Committee

FROM: Ken Jones
Director of Land Preservation

Agenda Item # 11.4

RECOMMENDATION: Recommend approval of a Resolution approving (i) conveyance of fee simple title on certain District property and (ii) grant of permanent and temporary easements on certain District property to the Illinois Department of Transportation (IDOT) at Countryside Golf Club.

STRATEGIC DIRECTION SUPPORTED: Public Access and Connections; Leadership

FINANCIAL DATA: IDOT will pay the District a total of \$13,000 for the fee simple and temporary easement parcels located north of Hawley Street, and a total of \$40,000 for the fee simple, permanent easement, and temporary easement parcels located south of Hawley Street, all on the west side of Route 60/83.

BACKGROUND: In July 2017, the Planning Committee provided policy direction to begin negotiations with IDOT for certain fee simple transfers and permanent and temporary easements at Countryside Golf Club. IDOT requested such property rights for road improvements to IL Route 60/83 related to roadway reconstruction from the merger of Route 60 & Route 83 (south of Diamond Lake Road) north to Route 176 in Mundelein. The roadway is planned to be improved with two 11-foot-wide travel lanes in each direction with curbed medians and turn lanes, a sidewalk on the west side of the road, and a shared use path on the east side of the road. As part of the planned improvements, IDOT is requesting fee simple interests, permanent easements, and temporary easements on District property to construct the road improvements.

The attached resolution approves the land conveyances that IDOT has requested for this project including:

North of Hawley Street:

- 0.166 acres of fee simple property for road construction and the installation of a retaining wall.
- 0.070 acres of fee simple property for road construction.
- 0.063 acres of temporary construction easement.
- 0.071 acres of temporary construction easement.

South of Hawley Street:

- 0.454 acres of fee simple property for road construction.
- 0.754 acres of permanent easement for highway right of way.
- 0.029 acres of temporary construction easement.
- 0.016 acres of temporary construction easement.
