

DATE: April 6, 2026

MEMO TO: Paul Frank, Chair
Planning Committee

FROM: Ken Jones
Director of Land Preservation

RECOMMENDATION: Recommend approval of a Resolution to sell an approximately 0.95-acre parcel (the “Property”) adjacent to Ray Lake Forest Preserve in unincorporated Fremont Township to Steven Price for approximately \$19,900.00 to divest the District of property encumbered by a driveway easement obtained in the recent acquisition of the Honey G. Farms, Inc., tract.

STRATEGIC DIRECTION SUPPORTED: Organizational Sustainability

FINANCIAL DATA: The approximate sale price of the Property is \$19,900.00, based upon survey measurement, and the funds will be credited to account number 31342000-402000, Sales of Fixed Assets.

BACKGROUND: The title commitment prepared for the District's acquisition of the Honey G. Farms parcel identified a driveway easement extending from Fairfield Road serving an adjacent parcel owned by Mr. Steven Price.

Staff recommends that the District divest itself of the Property, because it is primarily devoted to private use and to avoid potential future maintenance, operations, and liability concerns.

The Downstate Forest Preserve District Act permits the sale of a parcel of land that is part of a new acquisition if:

- the sale price of the subject parcel is at least its fair market value,
- a resolution is passed by the affirmative vote of at least 2/3 of all Board members, and
- the resolution to sell a portion of a new acquisition is passed within 30 days after the District acquires the larger parcel (the District closed on the purchase of the Honey G. Farm parcel on March 31, 2026).

A contract to sell the Property has been negotiated by District staff and signed by Mr. Price. Pursuant to the contract, he will pay \$21,000.00 per acre for the Property, which reflects fair market value and is based on an appraisal prepared by an MAI appraiser. At the time the contract was executed, a land survey was not available to determine the exact acreage of the Property. Therefore, when the final acreage is determined by a survey, the acreage may be slightly different than the current estimate of 0.95 acres and the purchase price may be different than the estimate of approximately \$19,900.00.

(PRICE PARCEL)**

WHEREAS, on March 31, 2026, the Lake County Forest Preserve District (the "District") acquired certain property from Honey G. Farms, Inc. (the "Subject Property"), which is adjacent to Ray Lake Forest Preserve and a portion of which is depicted on the attached Exhibit A; and

WHEREAS, there currently exists (and existed prior to the District's acquisition of the Subject Property) an approximately 0.95-acre ingress-egress easement on a portion of the Subject Property (the "Easement Area"), which serves an adjacent private residential property (the "Purchaser's Property"); owned by Steven Price (the "Purchaser"), all as depicted on the attached Exhibit A; and

WHEREAS, the Easement Area is used primarily for private, driveway uses; and

WHEREAS, an appraisal of the Easement Area determined that its fair market value is \$21,000.00 per acre; and

WHEREAS, the Planning Committee (the "Committee") of the District has recommended that, under the unique circumstances present, it is in the best interests of the District to divest itself of the Easement Area, by selling it to Purchaser for fair market value and, by doing so, to avoid potential future maintenance, operations, and liability concerns; and

WHEREAS, Section 6 of the Downstate Forest Preserve District Act (70 ILCS 805/6) provides that the District may purchase a parcel of land and sell a portion thereof for not less than its fair market value, pursuant to a resolution of the District Board of Commissioners passed within 30 days after acquisition by the District of the larger parcel; and

WHEREAS, the District's Department of Land Preservation has negotiated a purchase and sale agreement with the Purchaser pursuant to which the Purchaser would purchase the Easement Area from the District (the "Purchase and Sale Agreement") for approximately \$19,900.00, and the Purchaser has executed the Purchase and Sale Agreement; and

WHEREAS, the Committee has recommended that the District approve the Purchase and Sale Agreement and sell the Easement Area; and

WHEREAS, the Board of Commissioners finds that (i) the Easement Area is used primarily for private purposes, (ii) the Easement Area is unsuitable for District purposes, (iii) divestiture of the Easement Area would minimize potential future maintenance, operations, and liability concerns, and (iv) it is in the best interests of the District to approve the Purchase and Sale Agreement and sell the Easement Area to the Purchaser;

The President; Secretary and Executive Director of the District (and the Executive Director's designees) are hereby authorized and directed (i) to execute and attest to, on behalf of the District, the Purchase and Sale Agreement and all other documents that are necessary to complete the divestiture of the Easement Area provided that any documents have first been approved by the District's Corporate Counsel and (ii) to take such other actions as may be necessary to complete the sale of the Easement Area.

Section 3: Authority to Accept Payment from Purchaser. The Treasurer of the District is hereby authorized to accept payment for the Easement Area, pursuant to the terms and conditions of the Purchase and Sale Agreement.
