RECOMMENDATION: Recommend approval of a Resolution awarding Contracts for the Purchase of Trees and Shrubs for a five-year period (2026-2030) for Multiple Preserves to Majestic Oaks Nursery in the Contract Price of \$181,370.15; and to Possibility Place Nursery in the Contract Price of \$103,522.40.

STRATEGIC DIRECTION SUPPORTED: Conservation

FINANCIAL DATA: The District-wide Reforestation project was approved as part of the adopted FY26-FY30 Capital Improvement Plan (CIP) Budget in the amount of \$100,000.00 for each of FY26 and FY27 and in the amount of \$109,090.00 for each of FY28, FY29, and FY30, for a total of \$527,270.00 over five years. The FY26 operating budget includes \$49,500.00 for Native Plant Sales, of which approximately \$20,000.00 will be used to purchase trees and shrubs for the OAKtober event. Staff anticipates that similar budget amounts will be recommended for the Native Plant Sales and OAKtober events in FY27-FY30.

The proposed contracts total \$284,892.55 and will be charged to the District-wide Reforestation Account (11104100-803200-60008) in the amount of \$184,065.85 and to the Native Plant Sale Account (14433800-643000-42050) in the amount of \$100,826.70. These amounts will be paid over the five-year period.

BACKGROUND: The District implements a reforestation program to (i) restore historically altered or degraded lands to their natural condition, such as forest, woodland, and savanna communities, (ii) reduce habitat fragmentation, (iii) restore woodland connectivity, (iv) enhance wildlife habitat, and (v) improve the aesthetic quality of its preserves. In the fall of 2026-2030, more than 5,200 native trees and shrubs will be installed at Lakewood, Waukegan Savanna, Grant Woods, Lotus Country, Nippersink, Grainger Woods and Pine Dunes Forest Preserves, as well as smaller plantings conducted by the District's stewardship volunteers at several other sites, across more than 1,000 acres in total. Additionally, nearly 2,600 trees and shrubs are included in this purchase to be re-sold as part of the OAKtober event.

The project was advertised on February 10, 2026, and bids were received from four bidders, each of which submitted bids on multiple species. Materials were bid based on a unit price per species. Each low bidder, and its total bids for those species for which it is the low bidder, is listed below:

| <u>BIDDER</u> | <u>TOTAL BID</u> |
|---------------------------|-------------------------|
| Majestic Oaks Nursery | \$ 181,370.15 |
| Possibility Place Nursery | \$ 103,522.40 |
| Johnson's Nursery | \$ 10,216.00 |

Staff recommends that Majestic Oaks Nursery and Possibility Place Nursery each be awarded a contract as the lowest responsible bidder for the species for which it was the low bidder. Each submitted total low bids greater than \$60,000.00, thus requiring Committee recommendation and Board approval of the contracts for those bids.

Staff separately awarded a contract to Johnson's Nursery for the trees and shrubs for which it was the low bidder in the amount \$10,216.00, which is below the threshold requiring Committee recommendation and Board approval.

Work is anticipated to begin in Fall 2026 and be completed by Fall 2030.
