

**WHAT:** Science Explorers in Nature is a summer science program where you will meet new friends, learn about local ecosystems, explore Lake County Forest Preserves, and get a head start on your science classes next year. This program is FREE: bus transportation, lunch, and snacks are all provided.

**WHO:** Current 6-8 grade students who attend school in Lake County

**WHEN:** Monday, June 18–Friday, July 13  
(no program on Tuesday, July 4)

**WHERE:** Greenbelt Cultural Center  
A bus will drop off & pick up from your school

**HOW TO APPLY:** Ask your teacher for an application or visit [www.LCFPD.org/science-explorers/](http://www.LCFPD.org/science-explorers/)

You must submit by **Friday, April 27, 2017:**

- ☐ Application Form
- ☐ Student Agreement
- ☐ Report Card
- ☐ Letter of Recommendation
