MEMO TO: Sara Knizhnik, Chair
Operations Committee

FROM: Daniel E. Stearns
Director of Facilities

RECOMMENDATION: Recommend approval of a Resolution awarding a Contract to Sutton Ford Inc. in the Contract Price of \$59,243.00 for the purchase of a 2025 Ford F150 Lightning PRO CC 4x4 Pickup Truck.

STRATEGIC DIRECTION SUPPORTED: Organizational Sustainability.

FINANCIAL DATA: The adopted FY2025 Budget for the Vehicle Replacement Fund is \$721,000.00, including an estimated \$68,000.00 for this vehicle. The actual cost of \$59,243.00 will be charged to the Vehicle Replacement fund, account 90104100-804000. The annual user charge will be calculated based on the actual total purchase price.

BACKGROUND: In accordance with the District's equipment replacement guidelines, staff has determined previously that a 2014 Chevrolet 1500 Silverado pickup (Unit 137) is due to be replaced.

As part of staff's ongoing evaluation of vehicle replacements in accordance with the District's Green Fleet Policy, staff has determined that the Ford F150 Lightning is the most fuel-efficient vehicle available that will meet the District's needs.

Pursuant to the Illinois Governmental Joint Purchasing Act, 30 ILCS 525/1, et seq., any governmental unit may purchase personal property, supplies, and services jointly with one or more other governmental units, as provided in the Act. Staff determined that the Ford F150 Lightning is available under the State of Illinois Joint Purchasing Master Contract 24-416CMS-BOSS4-P-63043 with Sutton Ford Inc.

The new vehicle will be utilized by the Natural Resources Department and housed at the Operations and Public Safety Facility.

The new vehicle is expected to be in service for 10 years per the vehicle replacement guidelines.
