

**DATE:** March 31, 2025

**MEMO TO:** Sara Knizhnik, Chair  
Operations Committee

Gina Roberts, Chair  
Finance Committee

**FROM:** Ronald J. Davis  
Director of Public Safety

**RECOMMENDATION:** Recommend approval of a Resolution awarding a Contract to Purchase Axon Taser 10s and Related Components to Axon Enterprise, Inc. in the amount of \$106,920.00 amortized over five years.

**STRATEGIC DIRECTION:** Organizational Sustainability

**FINANCIAL DATA:** This expense was approved as part of the FY2025 Budget, with the first year's cost being charged to the State Forfeiture Fund line item for Machinery & Tools (23504100-806000). The total budgeted amount for FY2025 is \$24,000.00. The actual cost of the contract is \$106,920.00 amortized over five years (\$21,384.00/year).

**BACKGROUND:** Tasers are essential in providing District Public Safety officers with a non-lethal tool for managing high-risk situations, while minimizing the potential for injury or fatality. Tasers offer a safer alternative to firearms, allowing officers to incapacitate suspects at a distance and reducing the likelihood of escalation in confrontational encounters. By equipping law enforcement officers with tasers, Public Safety staff will have improved ability to respond to situations with greater control, helping to protect both officers and the public. Additionally, tasers help uphold the principle of proportional use of force, ensuring that officers have a range of options to handle varying levels of threat.

Staff determined that Axon Taser 10s are suitable for District law enforcement purposes and are available under the Sourcwell Contract #092722-AXN with Axon Enterprise, Inc. The recommended contract will provide for the purchase of Axon Taser 10s and related components for a five-year term.

In February 2025, the Committee and Board considered this matter, and approved a Resolution awarding a contract for a "lease" of the equipment. Staff recommends that the Board repeal the previous resolution and approve the attached resolution approving the purchase of the equipment. The confusion arose due to the fact that the purchase includes the replacement of certain components after 2.5 years and extended warranties on other components last the entire five-year amortization period.

**REVIEW BY OTHERS:** Chief Operations Officer, Director of Finance, Manager of Board Operations and Corporate Counsel.
