

DATE: March 31, 2025

MEMO TO: Sara Knizhnik, Chair
Operations Committee

FROM: Alex Eichman
Director of Golf Operations

RECOMMENDATION: Recommend approval of a Resolution awarding a Contract to Revels Turf & Tractor in the amount of \$36,880.00 for the purchase of one Tru-Turf RE50 Lithium Electric Greens Roller.

STRATEGIC DIRECTION SUPPORTED: Organizational Sustainability

FINANCIAL DATA: A total of \$143,000.00 was budgeted for FY2025 to purchase this piece and other equipment for Countryside Golf Club. This unit was originally estimated to cost \$23,000.00 for a gas-powered unit. An electric-powered option is available at a higher initial cost. The total actual cost of \$36,880.00 will be charged to the Machinery & Tools account for Countryside (80104100-806000). The account is expected to remain within budget overall due to cost savings from other equipment purchases already made in FY2025 that were \$29,860.20 under estimate.

BACKGROUND: The electric greens roller is an additional unit to the current fleet and is not replacing an existing unit. This additional unit will allow staff to more efficiently provide conditions on the greens that are consistent in both speed and smoothness across all 39 of our putting surfaces. Revels Turf and Tractor was the successful competitive bidder for the Tru-Turf RE50 Lithium Electric Greens Roller equipment.

Sealed bids were received and opened by the District at its General Offices, 1899 West Winchester Road, Libertyville, Illinois on February 27, 2025. The following bids were received from bidders as follows:

<u>TOTAL BID</u>	
Revels Turf & Tractor	\$36,880.00
Tiles In Style, LLC	\$44,359.00

The electric greens roller will be based at the Countryside Golf Club and primarily used by the Grounds staff.

REVIEW BY OTHERS: Chief Operations Officer, Director of Finance, Purchasing Manager, Manager of Board Operations, and Corporate Counsel.
